Introduction from the Morecambe Bay Golf Festival Committee

May I take this opportunity to welcome everyone and I sincerely hope you have an enjoyable visit.

After 20 years of festival bookings by Letter, Phone, E-Mail, Text and Carrier Pigeon we are finally getting into the 21st century (only 20 years late). We have further developed the on line booking system for our 2023 festival via Intelligent Golf.

You can still book next year's tee times while you are enjoying this year's festival with our festival team and then after the festival week we go on line to book and pay for your tee time as and when you want.

Be aware that the sooner you book the more tee times will be available. Please don't leave it too late.

I would like to convey my thanks to the directors of Heysham, Lancaster and Morecambe Golf Clubs for their support in allowing the 23rd edition of the Festival to be held, it promises to be a special week.

Tony Wilkinson
Festival Chairman

FESTIVAL FORMAT

Handicap limit for Men, course handicap 21 with 85% of handicap allowance and will play off Yellow Tees. Ladies, course handicap 31 with 85% of handicap allowance and will play off Red Tees.

In the event of a card play-off, our formula is back 9, 6 3 last hole, front 9, 6, 3 first hole. Should a tie occur in the 3 day Festival Trophy event, the scorecards on the final day will be used to determine the overall winners. In the event of inclement weather this competition may be reduced from 54 to 36 or 18 holes.

The prize fund distribution has changed after discussion with the festival players.

The top 5 places in all competitions will receive Professional shop vouchers to the value of the prize and the 6th place winners in all competitions will receive Carr's Jeweller's vouchers to the value of the prize.

Accounts will be set up in the names of the winners in the Professional shop where the competition was played or at Carr's Jewellers. There is now no need to attend the presentation to collect your prize.

A competition result will stand when 50% of the entrants complete their round.

Heysham Golf Club

Heysham Golf Club is a parkland course situated at the end of the Bay Gateway and only 10 minutes from the M6 junction. The Par 70 6,360yd course spreads across 130 acres and comprises of long holes and open fairways with coastal views. The elevated part of the course has stunning views across Morecambe Bay to the Lakeland hills in the north and the Pennines to the East.

Heysham Golf Club has an active membership who participate in various club competitions, local leagues and local competitions. The club has fantastic practice facilities which include a six-bay driving range, short game area including large putting green. The all-weather astro-turf practice facilities sponsored by Sport England and Titleist consists of chipping, pitching, putting greens and a practice bunker area. By far the best practice facilities in the region.

The club welcomes visiting parties, corporate days, opens and private functions throughout the week and will try to accommodate your needs wherever possible. Heysham Golf Club has excellent bar and catering facilities where you will receive a warm welcome along with fantastic home-made food.

The restaurant is open to the public and has an extensive menu including Sunday Lunches.

Simon Fletcher Fellow of the PGA

Morecambe Golf Club Professional

A quick look inside Morecambe's Pro Shop quickly reveals why it was a winner of the Pro Shop of the Year award at the prestigious TGI Golf Partnership annual awards recently.

Simon Fletcher, Head PGA Professional at Morecambe Golf Club, has completely refurbished his shop which now stocks leading clothing brands like Hugo Boss, Ralph Lauren, Calvin Klein and Galvin Green alongside all the leading golf equipment manufacturers. The shop now has a new modern feel where designer clothing sits alongside the very latest golfing gear.

It has become an ideal place to browse and seek advice from Simon and his team whether you are looking for clothes or clubs. And remember, only a few steps away and you are in the indoor school where you can be custom fitted for the very latest golfing equipment.

Morecambe's PGA Professional Simon Fletcher has been a supporter of the Morecambe Bay Festival ever since its inception and this year is no exception.

As he explains: "It is a great event that really showcases the golfing opportunity in this wonderful part of the year. I am sure that everybody taking part whether they are regulars or newcomers will recognise the challenge of our courses. They are all so different which is why the festival is so interesting."

If you are visiting Morecambe for the first time, pop in and see Simon and his team. They are always on hand to advise on everything from the clothing on display to the latest clubs and equipment from most of the leading golfing manufacturers. And if you have a little more time, book a time with Simon in the indoor school for a lesson or a chance to have your clubs expertly fitted. The new Trackman Launch Monitor with full simulation of ball flight is now available for the most accurate and detailed custom fit. The studio has just undergone a full re-furb in February 2022.

It is all part of the Morecambe golfing experience so ring Simon on 01524 415596 to find out more.

Morecambe Golf Club

"We never realised that this gem of a course existed"

Although situated on the coast, Morecambe Golf Club is a parkland style layout with magnificent views over Morecambe Bay and beyond to the Lakeland Hills. The course is located a mere 10 minutes away from the M6 motorway, allowing easy access to our renowned golf course.

Morecambe Golf Club has a vibrant membership through all categories with vast practice facilities including a dedicated short game area, driving range and two putting greens; one combined for pitching.

The course might not be long, but it is tricky, expertly designed by the renowned Alister Mackenzie, most famous as the architect of Augusta National, home of the U.S. Masters. His trademark greens are to be seen everywhere as are the subtle curves of the fairways and the strategically placed bunkers.

The course drains very well and is open all year round. It is not often that the club has to revert to either temporary tees or greens, so if you are seeking some challenging golf all year round then Morecambe must be the course.

Morecambe Golf Club has long prided itself on the warmth of its welcome. Visitors can enjoy the most convivial of surroundings before and after playing one of the North West most challenging courses. During the summer months probably the most popular location for members and visitors is our purpose built veranda. With magnificent views of the course and the surrounding fells this is the perfect spot to enjoy a drink or bar snack whilst analysing or contemplating your round. Morecambe makes no distinction between members and visitors in its bar pricing policy, the same low prices are available to both.

For more information, directions, to make a booking, or to see what you have been missing, visit our website: www.morecambegolfclub.com or contact the office on 01524 412841 - option 2.
